Specific wishes

If you need an accessible room or technical equipment according to your requirements, please specify your wishes when making reservations.

Payment and prices

The hotel bill is to be paid when you receive it, which is usually before your departure. All our prices are in Swedish Krona, including local VAT.

Our rate is always per room (1 or 2 adults) and includes breakfast.

We are a cash-free hotel. The most commonly used credit cards and the mobile payment system Swish are accepted.

Services

Our **private wellness** concept allows you the exclusive use of either the sauna or the bathtub for an allotted period of time. The rates per use and room are SEK 300 for the sauna and SEK 500 for the outdoor bathtub. Please book your individual experience in advance.

If frost, rain, or strong winds occur, we unfortunately cannot offer the wood-fired bathtub.

The use of **Wi-Fi** in your room and the rest of our premises is free of charge.

On-site **parking** is available and free of charge. The vehicle must be parked in the designated space. We cannot accept any liability for any damage or theft to vehicles parked in the car park.

To get around we offer our guests **free bike rental**.

Valuable property

Do not leave your baggage and valuable property unattended. We can offer to store your baggage and valuables in a locked room. We can only take responsibility for your property if it is stored in our designated locked room.

We cannot take responsibility for the property you store in your hotel room. If, however, it should be proven that we have acted negligently or in any other way are responsible for property having been lost, then we will accept responsible for the missing property.

Our guests are also responsible for any damage they may cause within the hotel.

Your own safety

In your hotel room or upon request, we provide information about where the emergency exits, fire alarms and fire extinguishers are located.

If you discover any deficiencies in safety, we urge you to inform us immediately.

You are also responsible for any damage that you or your guests may cause within the hotel.

We are a cash-free hotel to make our environment safer.

Registration of foreign hotel guests

According to the Swedish Aliens Ordinance, we are obliged to make sure that foreign hotel guests provide information about themselves on personally signed registration forms and confirm their identity using a valid identity document. These rules are based on the Schengen agreement within the EU.

Cancellation policy

Since we have four rooms only, any cancellation must be made at least 7 days before the agreed arrival date. If you fail to arrive without having cancelled or if you cancel later than 7 days in advance, you will be charged a minimum of one night or 50% of the amount for the total booked stay.

If you have booked several rooms or stay longer than 5 nights, then the cancellation must be made 20 days before the agreed arrival date. We might also ask you for a deposit.

If you have made a reservation for a definite time period but depart before the end of that period, you are required to pay the same amount as for a late cancellation.

Thank you for your understanding that with only four rooms we must follow a more strict cancellation policy.

Safe, responsible travel

We believe in safe, responsible travel.

We are committed to upholding protective measures against the **coronavirus**. We stay informed and follow advice given by the Swedish public health authority. Please check travel restrictions that might affect you.

Our spacious premises and small number of guests (maximum of 8 guests) allow us to maintain social distancing and uphold the highest level of hygiene and cleanliness.

In our restaurant we have now the possibility to offer seating at four separate tables for two. Restrictions may lead to changed times and offer.

Please reach out with any questions or concerns regarding your upcoming stay.
